

## Worksheet 1: "Organelle Comparison Chart"

Objective: Compare cellular organelles to different steps in the process of baking Pan de Polvo.

Instructions:

1. Watch the video on cellular organelles and the Pan de Polvo analogy.
2. Fill in the table below by matching each cellular organelle with its corresponding step in the Pan de Polvo baking process.

Cellular Organelle	Pan De Polvo Step
Nucleus	
Mitochondria	
Rough Endoplasmic Reticulum	
Peroxisomes & Lysosomes	
Smooth Endoplasmic Reticulum	
Golgi Apparatus
